**To all 2007 EMLOA Members,**

I hope this email finds all of you in the holiday spirit. It is that time again - registration time for the 2008 Boy's Lax Season. We will again use the Arbiter exclusively for both your Roster information and your availability.

If you plan to officiate High School Lacrosse in 2008, we need you to do the following:

1) Log in to the Arbiter at [www.theArbiter.net](http://www.theArbiter.net) . Under Account (on left side of page), select Information and confirm all of your personal information - address, email and phone numbers. You can add your US Lacrosse number where it asks for Official Number. You can add your SS # by selecting Misc. Fields. If you have a problem, email Darrell Benson at [dbenson1@comcast.net](mailto:dbenson1@comcast.net).

2) While in the Arbiter, complete your Availability for March 17 thru June 1, 2008. We'll address the Arbiter improvements in the next newsletter and at the clinic.

3) Print this email and complete the Application Form below. Include your Name, Social Security and US Lacrosse numbers (in case we don't already have them or they are not in Arbiter). Forward the form along with your 2008 dues in the amount of **\$80 (payable to EMLOA)** and mail to:

EMLOA c/o David Pinciaro CPA  
8 Central St. Suite 101  
Topsfield, MA 01983-1837

4) Add to the Application Form any suggestions you have for the 2008 Clinic. You may email these directly to me as well.

Your mailing **MUST BE POSTMARKED BY JANUARY 31, 2008**. Mailings postmarked after January 31 will result in a fine of \$25 and your High School schedule will be withheld until dues and fines are paid in full.

A newsletter containing additional EMLOA information and other significant changes for the 2008 season will be forthcoming in the next three weeks.

Happy Holidays,

Darrell Benson  
President, EMLOA
